

*Skimming The Surface, A Three Part Program:  
Dance Performance ~ Expressive Movement Workshop ~ Discussion*

**First**, the performance of **Skimming the Surface: Fragments of Collective Unconscious** by Dance Entropy, a quartet with four women, inspired by trauma and emotional wounds. **Second**, a movement workshop that will lead participants in exploring their own expressive movement. **Third**, closing with a circle discussion offer a nurturing and safe environment for participants to discuss personal thoughts and experiences based on the workshop and performance.

*A unique event series servicing adult populations that maybe overcoming diverse forms of trauma: victims of abuse, rape, human trafficking, veterans, illness, emotional wounds, post-traumatic stress disorder, etc.*

**Goal:** To share and offer the power of expressive movement to heal and process emotions. The *Skimming the Surface* program experience, running 90 minutes, will garner a therapeutic effect and/or emotional release for participants.

*"The workshop allowed our women to experience new pro-social skills while getting in touch with past and present issues."*
